

Volunteering at Mensch Mill

Each year Mensch Mill offers a variety of summer camp and retreat programs for kids, youth and adults. Many of these programs would not be possible without volunteers like you. There are a variety of persons needed to assist in many areas of camp life.

- **7 Program Leaders** - 1 per camp
- **21 Counselors** - 3 per camp
- **20 Maintenance Helpers** - 2 per week (mowing, trimming, painting)
- **20 Kitchen Helpers** - 2 per week
- **Guest Hosts** - Weekend Hosts
- **Work Groups** - Projects and general site maintenance.

Mensch Mill is an ACA accredited camp and holds all staff (paid and volunteer) to the highest standard. You will be asked to complete a disclosure, sign and return. We need your help to continue to making a difference in the lives of others through the variety of faith based, environmentally conscience, and family and retreat programs we offer. Please fill out the form below, check where you would like to give your service, and join the team at Mensch Mill.

Thank your for supporting our ministry,

Jeremy Force
